

PRIVACY POLICY

Welcome to our website!

LifeFitness committed to the protection of privacy and to fully implementing and complying with the relevant provisions of the Personal Data (Privacy) Ordinance.

LifeFitness collects different information in order to help us improve the services and products we offer; and to provide unique personalized services and products to each user of LifeFitness. The information we gather on our sites falls into two categories: (1) information you supply when you register or initiate transactions, and (2) tracking information collected as you navigate through our sites. Third-party providers featured on, or linked to from, our sites, such as vendors of products and services offered through our sites, may gather information, as well.

From time to time, we may offer contests or other promotions involving marketing or advertising partners. We may share this information with sponsors of the contest or other promotional partners, but we will always identify the other parties involved (for example, in the contest rules) and provide notice that your registration may be disclosed to these parties. We don't control these third parties' privacy practices, and our Privacy Policy does not apply to their collection and use of your information. We urge you to review their privacy policies and learn how they will use your information before participating.

Please note that this privacy policy applies only to our online collection and use of information and does not apply to any information that you may provide to us by other means, such as via mail or telephone.

If you have questions about this Online Privacy Policy, please contact us at info@lifefitness.com.hk
